

We are pleased to assist our client, the **Kansas City Public School Retirement System (KCPSRS or the “System”)** in finding their next **Executive Director**. The **System** is a cost-sharing multiple-employer defined benefit pension plan which was established by the General Assembly of the State of Missouri. **KCPSRS** is designed for employees of the School District of Kansas City, Missouri, the Kansas City Public Library, charter schools within the boundaries of the Kansas City, Missouri School District, and **KCPSRS** itself. The **System** is financed by employee contributions, contributions from the employers (School District, Public Library, charter schools and **KCPSRS**) and earnings from investments. As of December 31, 2022, the **System** held assets of approximately \$626.7 million.

The **Executive Director (ED)** will report to the Board of Trustees. The **ED** is responsible for the administration and management of **KCPSRS** including coordinating daily operations, managing (hiring, terminating, supervising) all other **KCPSRS** staff and managing relationships with various investment managers and other external service providers. The **ED** leads a staff of 5 and oversees a \$2.2M operating budget.
