

Our client, the **New York State Office of the State Comptroller**, is seeking an **Investment Officer - Private Equity**, located in the New York City office. This role will perform due diligence on managers and deals and form investment recommendations.

Preferred/Desired Qualifications:

- Bachelor's degree in business, economics, or similar quantitative field. An advanced degree and CFA pursuit are preferred
- Three or more years of relevant financial experience
- Ability to conduct quantitative analysis (e.g. models) and research to evaluate investment decisions
- Ability to form value-added judgements on the merits of investment opportunities across structures with support and input from Senior Officers and the Director
- Strong knowledge of private equity concepts, strategies and fundamental investment factors
