

Contra Costa County Employees' Retirement Association
Concord, California

Chief Executive Officer

Salary: Compensation is competitive and negotiable dependent upon qualifications.

CCCERA offers a wide range of competitive benefit options.

First review of applications: Tuesday, January 16, 2024.

Appointed by, and reporting to the CCCERA Board of Retirement, the Chief Executive Officer oversees the policies, procedures and regulations of the Board of Retirement and the provisions of the County Employees Retirement Law of 1937.

Ideal candidates will be experienced and highly ethical professionals possessing outstanding interpersonal, technical, and management skills. Strong communication skills, the ability to develop and maintain trust, mutual respect, and close working relationships with the Board of Retirement and myriad external stakeholders is expected. The successful candidate will be dedicated to open and honest communication and transparency. Skilled and effective leaders who value collaboration in order to develop and empower their team will find success in this role. The CEO must be dedicated to the success of the organization with a demonstrated commitment to CCCERA's core mission to provide benefits to and serve the members of the retirement plan.

Education/Experience

A Bachelor's degree in a relevant field is expected. A graduate degree is desired. At least five years of progressively responsible management level experience, with two of those years in a public retirement system, including interpretation and application of retirement law (preferably California's County Employees Retirement Law of 1937) and supporting a governing board is expected. Experience in personnel and investment management; working with unions, investment advisors, actuaries, auditors, and other professionals that provide key support to public pension systems is highly desired.
