

## **SDRS EXECUTIVE DIRECTOR**

The South Dakota Retirement System (SDRS) seeks an Executive Director to lead the organization in fulfilling its mission to plan, implement, manage, and efficiently administer financially sustainable retirement income programs within the fixed resources available in accordance with fiduciary responsibilities and sound public policies. This position has an anticipated start date of late fall of this year.

SDRS is a cost sharing, public employee retirement system providing retirement, disability, and survivor benefits for 90,000 South Dakota public employees. SDRS is a financially sound and nationally recognized model system with over \$12B in assets.

The position is in Pierre, the capital city of South Dakota and oversees a staff of 30 employees. The Executive Director, reports to the Board of Trustees, is responsible for providing leadership, management, advice, and support for programs and services that provide members and their families the opportunity to achieve financial security at retirement, death, or disability by delivering appropriate and equitable lifetime benefits, and promote, encourage, and facilitate additional member savings for retirement.
