

We are pleased to assist our client, the **Teachers' Retirement System of Louisiana (TRSL or the System)** in finding their next **Investment Director of Public Markets**. This role is based in Baton Rouge. TRSL is the largest public retirement system in the state serving an active and retired membership of over 180,000. The **System** is governed by a Board of Trustees whose primary responsibility is to manage and safeguard assets held in trust for the membership. As of June 30, 2022, the **System's** total assets under management were \$24.5 billion.

The **Investment Director of Public Markets** reports to the Deputy Chief Investment Officer (DCIO) and has primary responsibility for developing and implementing a public markets investment program strategy within the goals established by the **TRSL** Investment Policy. This role will manage the activities of the external managers, including analysis and due diligence reviews, assisting in negotiating terms and conditions of agreements, furnishing appropriate reports on all investment activity, and attending meetings to present reports to the **TRSL** Board of Trustees Investment Committee. This role will also be responsible for providing expert consultation and advice to the Chief Investment Officer, Deputy Chief Investment Officer, Director, and Board Investment Committee.
