

CHIEF INVESTMENT OFFICER (CIO) - STATE OF HI EMPLOYEES' RETIREMENT SYSTEM (ERS)

The ERS seeks to hire a CIO who will manage the investment activities of the ERS, provide guidance to the ERS Board of Trustees and Executive Director and serve as a member of the ERS Executive/Administrative team. This professional will advance our investment program by providing vision, leadership, and strategic planning necessary for ERS to thrive and achieve its goal of sustainability for its stakeholders and beneficiaries.

The CIO must be a strategic visionary for the ERS, one of the largest public pension funds in the country with over 149,000 members, retirees and beneficiaries and assets in excess of \$22.4 billion. The CIO must possess leadership skills to oversee the portfolio, internal professionals, and external investment management firms.

Exceptional communication and collaboration skills are necessary. Required bachelor's degree in finance, economics, business, accounting, or related field. MBA, CFA, CAIA designations and experience with public pension systems preferred. Contact: Kimberly Miyashiro, Kumabe HR, kimberly@kumabehr.com.
