

Our client, the **Municipal Employees' Retirement System of Michigan (MERS)**, an independent professional retirement services' company designed to administer the retirement plans for Michigan's local units of government, is seeking a **Chief Executive Officer**. MERS partners with more than 900 local units of government across the state administering a variety of traditional defined benefit plans, hybrid plans, defined contribution plans, healthcare plans, and other post-employment benefit (OPEB) offerings. With assets under management exceeding \$12 billion, **MERS** proudly serves over 100,000 participants, including police officers and firefighters, road crews, medical staff, librarians, clerks, and countless other roles that protect and serve the many communities across Michigan.
