*Supporting Retirement Security for America's Teachers*

## ACTIVE MEMBER ROSTER

The National Council on Teacher Retirement (NCTR) is constituted as an independent association dedicated to safeguarding the integrity of public retirement systems in the United States and its territories to which teachers belong and to promoting the rights and benefits of the members, present or future, of the systems. NCTR had its beginnings in 1924, affiliated with the National Education Association in 1937, and became an independent association in 1971. The Council is constituted as a nonprofit tax-exempt entity under Section 501 (c) (6) of the Internal Revenue Code.

### ACTIVE MEMBERS

NCTR membership includes 68 state, territorial, and local pension systems. These systems serve more than 19 million active and retired teachers, non-teaching personnel, and other public employees; and have combined assets of almost \$2 trillion in their trust funds.
